CITIBANK®

WE'RE LOOKING OUT FOR YOU.℠

WE'RE LOOKING OUT FOR YOU IN MORE WAYS THAN ANY OTHER CARD.

No other credit card protects college students in as many ways as the Citibank Classic MasterCard®. That's why, hands down, it's the most popular credit card among college students. With your Citibank Classic card, you can:

PAY NO ANNUAL FEE. And you'll also have a competitive variable interest rate.

SEE THE WORLD AND SAVE. Your Citibank Classic card entitles you to ***$20 off domestic flights*** on any airline, any seat, any time you fly and ***$50 off international flights***.[1] And you'll save on things like magazines, music and clothing.

LOSE IT, AND ALL IS NOT LOST. With *The Lost Wallet℠ Service*, you can get emergency cash,[2] a new card usually within 24 hours and help replacing important documents.

GET THE BEST PRICE, EVERY TIME. *Citibank Price Protection* assures you will pay the lowest prices around on many purchases you make with your Citibank card.[3]

BE PROTECTED BY YOUR FACE. The *Photocard* option, gives you added security from theft by putting your picture and signature permanently on the front of your card.

GET INSTANT CASH. In emergencies, you can use your Citibank card to get cash at over 170,000 ATMs and over 220,000 financial institutions worldwide.

WRITE YOUR OWN TICKET. There's ***no cosigner or minimum income required.*** In fact, all you need is a photocopy of your current validated student ID.

To apply for a Citibank Classic MasterCard, simply fill out and mail the attached application. Then relax. Because the credit card company that looks out for more students than any other will be looking out for you, too.

[1]Discounts/rebates provided by ISE Flights for tickets issued by them. Domestic airfare rebate subject to a minimum price of $150. Offer subject to change. [2]Based on available cash advance limit and available credit line. [3]Certain restrictions and exclusions apply. Details will be provided when you become a cardmember.

We encourage you to understand some important information about the Citibank Classic card.

Annual Percentage Rates Variable Rate Information	Currently (July 1, 1994): 16.65% for purchases; 19.8% for cash advances. The annual percentage rate for purchases may vary each calendar quarter. We will calculate the variable rate by adding 9.4% to the rate disclosed as the U.S. Prime Rate reported in the "Money Rates" table of The Wall Street Journal on the third Tuesday of March, June, September and December of each year. Because the annual percentage rate is variable, the current rate may not be in effect when your card is issued. The rate will not be lower than 12.9% or higher than 19.8%. However, if cardmembers fail to keep all their Citibank accounts in good standing, the rate will increase to 19.8% on the full purchase balance.
Annual Fee	None
Grace Period for Repayment of Balance on Purchases	20-25 days
Minimum Finance Charge	50¢
Method of Computing the Balance for Purchases	Average Daily Balance (including new purchases)
Transaction Fee for Cash Advances	At a financial institution or by check, 2% of amount of advance but not less than $2 or more than $10. At an Automated Teller Machine, $1.75.
Late Payment Fee	$15
Over-The-Credit-Limit Fee	$10

For further information, write to Citibank (South Dakota), N.A., c/o Citicorp Credit Services, Inc., P.O. Box 6030, Hagerstown, MD 21741.

By signing this application, I authorize Citibank (South Dakota), N.A. ("you") to check my credit history and I authorize any references listed to release information to you or any of your affiliates regarding my eligibility for the Citibank credit card and any renewal or future extension of credit. If I am issued a card, I authorize you to exchange information about how I handle my account with Citibank affiliates, credit bureaus and proper persons. I authorize your affiliates to perform certain customer service and payment processing functions for my Citibank credit card account. IMPORTANT NOTICE TO STUDENTS
NEW Registration System

Dear Students,

The University of Memphis is implementing a new computer system for all student records. This system includes functions related to: admission, advising, course offerings, registration, student records (grades, transcripts, and student demographic data), student financial aid, and fee payment. The first phase of implementation includes registration for Spring 1995. After the system has been installed and is working smoothly, we will work on enhancements such as telephone registration and electronic transcripts. As we make the transition from one system to another, there will be some changes in the way we process enrollment transactions. **Please read the detailed instructions in this schedule to become familiar with these changes.**

ALL CONTINUING STUDENTS are expected to register during Spring 1995 Registration in November and December. Students should come during the time period scheduled for their classification and hours earned. See Step 3 Registration section for details. Although students may register on days which follow their assigned time, they are encouraged to come on their assigned day. This process provides some control over the number of students registering at any one time. We are working to reduce the amount of time students have to spend in registration and fee payment. Because this is the first semester on the new system, we especially want to avoid long lines.

Students are encouraged to avail themselves of the various fee payment options which do not require them to come to the Fee Payment Center. To avoid having course registrations deleted, students should satisfy fees by the appropriate deadline. See Step 5 Fee Payment section for details .

We will make every effort to provide efficient and effective service during this semester of transition and ask your patience and cooperation as we work to improve the system and services related to student enrollment.

Sincerely, Noel Schwartz
Registrar

5. Take advantage of your assigned registration time.
6. Check your catalog to ensure that you have completed prerequisites.

The University identification card remains the property of The University of Memphis and should be surrendered upon the request of a University official. A student may possess only ONE University identification card at any time.

Students may obtain a replacement for a lost, stolen, or damaged University identification card from the ID Card Office in Room 176 Administration Building, between the hours of 8:00am and 4:30pm, Monday - Friday. The Permission of Department Permit obtained from the department should be presented when the student registers for the course. Fees for audit are the same as for credit. Students may not change from a grade point basis to audit or from audit to a grade point basis after the last day to add classes.

Interested students should pick up the Permission of Department Permit Form from the department, obtain the appropriate signatures (including their academic advisor) and bring the Permission of Department Permit to registration.

CLASS CANCELLATION and INCLEMENT WEATHER POLICY

In the event that inclement weather requires the cancellation of classes and/or campus activities, local radio and television news media will be immediately notified for dissemination as they deem appropriate. Such closing decisions will also be given to University vice presidents for dissemination through the notification system in place for each division. Cancellations will not apply to administrative offices. Each faculty and staff member and each student is expected to recognize that inclement weather creates conditions more dangerous than normal. Therefore, each person is expected to exercise a high degree of care to avoid accidents. All non-teaching employees who do not report to work during inclement weather will be considered in an annual leave or leave without pay status for the period of their absence. (University Procedure 2A:16:01A)

DISABLED AUDIT and CREDIT REGISTRATION

Persons suffering from a permanent disability which totally incapacitates them from working at an occupation which brings an income and who are domiciled in Tennessee, may **AUDIT** courses without paying tuition charges, maintenance fees, student activity fees, or registration fees. Permission to AUDIT will be limited according to space availability. They may enroll in courses for **CREDIT** at the cost of one-half the normal per credit hour fee, not to exceed $75.00 per semester. University Health Services shall examine certification of permanent disability and determine the eligibility of the applicant. This determination will allow the student credit from the time proper certification of permanent disability is approved through University Health Services.

Inquiries concerning these programs may be addressed to Registration and Scheduling, Room 167, Administration Building, 678-2675.

GRADE REPORTS

A grade report is mailed to the permanent address of each student at the end of the semester. The grade report will show the grade received, credit hours earned, quality points earned, semester grade point average, cumulative hours attempted, cumulative hours earned, and overall grade point average.

Withholding of Grade Reports

The University is required by State law to withhold grade reports, transcripts, and diplomas from students who have outstanding financial obligations to the University. When financial obligations have been resolved, students may obtain their grade reports in Student Information Services, Room 119, Administration Building. Photo identification is required prior to release of grade reports.

RELEASE OF GRADES

STUDENT INFORMATION SERVICES WILL NOT RELEASE ANY GRADE EXCEPT BY THE OFFICIAL COPY SENT BY MAIL. TO PROTECT THE CONFIDENTIAL NATURE OF THE STUDENT'S RECORD, **NO GRADES WILL BE RELEASED BY TELEPHONE.**

PROBATION/SUSPENSION - UNDERGRADUATE

(ACADEMIC STATUS AND RETENTION)

Students will be notified of their academic status at the end of each semester through their official grade report. Grades are mailed to all students who have no financial holds with the University. Students who do not receive their grade reports in the mail should clear outstanding obligations and pick up a copy of their grades in Room 119 of the Administration Building.

A complete statement of the University's academic status and retention policy may be found in the Bulletin. Specific questions concerning academic probation/suspension should be directed to the Academic Status and Retention Services Office, Room 117, Administration Building.

Students who are on probation are not eligible for the registration period in November. At the end of the semester, students who have not been placed on suspension will be eligible to register in January. Students who are eligible to continue at The University of Memphis will be allowed to register according to the Registration Timetable for January if there are no additional holds placed on their eligibility. If the grade report indicates suspension, see below for the required time out of the University prior to readmission.

UNDERGRADUATE ACADEMIC RETENTION SCALE

Cumulative Hours Attempted	Minimum QPA
0 - 14.99	No Minimum
15 - 29.99	1.40
30 - 50.99	1.70
51 - 67.99	1.90
68 and above	2.00

Note: After one suspension, a student is required to remain out of the University the following semester. If the suspension occurs at the end of spring semester, the student must remain out of the University the summer session and following fall semester.

PROBATION PROCEDURES - GRADUATE

Degree-seeking graduate students whose cumulative grade point average falls below 3.00 at the end of any given semester will be placed on academic probation. An administrative hold will be placed on the student's registration. Students on academic probation may not register until after the current semester grades are posted. The student's Advisory Committee will determine conditions for continued enrollment. Students should contact their advisor two days before the registration period just prior to the beginning of classes for conditions of enrollment. The College Director of Graduate Studies has the authority to provide a Registration Permit Release card at that time.

Non-degree graduate students on academic probation should contact the Graduate School, 315 Administration Building, two days before the registration period just prior to the beginning of classes.

Holds for graduate students (degree or non-degree) who withdraw from a semester or who enroll only in undergraduate course work will be released by the Graduate School.

REPETITION OF COURSES

A student may not attempt the same course more than three times for the purpose of obtaining a passing grade or higher grade. Exceptions to this limitation may be made by the dean of the college from which the student intends to graduate. These exceptions must by approved prior to the student's registration for the fourth and any subsequent attempts of the same course.

The student's quality point average will be computed as follows:

Number of Attempts	Grade(s) Included In Computation
1st	Original grade earned
2nd	Only grade in 2nd attempt
3rd and subsequent	Grade earned in 2nd attempt averaged with grade(s) earned in ALL subsequent attempts

The record will continue to reflect all grades earned in the same course.

SENIOR CITIZEN AUDIT / CREDIT REGISTRATION

Persons who will become sixty (60) years of age during the academic semester in which they begin classes, and who are domiciled in Tennessee, may **AUDIT** courses without paying tuition charges, maintenance fees, student activity fees, or registration fees. Permission to AUDIT will be limited according to space availability. Persons who will become sixty-five (65) years of age prior to or during the academic semester in which they begin classes and who are domiciled in Tennessee, may enroll in courses for **CREDIT** at the cost of one-half the normal per credit hour fee, not to exceed $75.00 per semester.

Direct inquiries to Registration and Scheduling, Room 167 Administration Building, 678-2675.

STUDENTS WITH DISABILITIES

Early registration authorization cards will be issued by the Office of Student Disability Services (SDS) to enable eligible students to adequately plan for disability related needs. Students employed as personal attendants or academic aids for students with disabilities are also eligible for early registration authorization cards in order to arrange their schedules to accommodate the students for whom they work.

REGISTRATION PROCEDURES-Students With Disabilities

1. See academic advisor.
2. See SDS staff for assistance in planning schedule, if needed.
3. Pick up early registration authorization in SDS on the day you wish to register.
4. Take Registration Permit and Planning Sheet with the early registration authorization card to Registration Center.
5. Go to SDS to get Needs Assessment done so that necessary academic accommodation and resources can be planned. Bring your Bill and Schedule Form.
6. If you drop or add courses after the Needs Assessment has been done, take a revised copy of your schedule to SDS.
7. If you are on authorized billing from a state rehabilitation agency, notify your counselor of the fee payment deadline and process your authorization by that date. If a payment problem occurs, contact SDS for assistance.

For more information and assistance, please contact Student Disability Services, Room 215, Scates Hall, 678-2880 (Voice and TDD).

TRANSCRIPT REQUESTS

Transcripts are issued only at the request of the student in person or by letter. No transcript will be provided for a student who has any unfulfilled obligation to the University. There is no fee.

TRANSFER CREDIT/U of M STUDENTS

After admission to The University of Memphis either as a regular undergraduate or a transfer student, students must consult with their advisor and the Undergraduate Admissions Office if they anticipate enrolling at another college or university for the purpose of transferring credit to The University of Memphis. A Transfer Credit Request form must be completed. In order for completed additional undergraduate course work to be transferred from another university and recorded on the student's permanent record, the student must request that an evaluation be completed by Undergraduate Admissions, 678-2111. For information about the transfer of graduate credit contact the Graduate School, Room 315 Administration Building, 678-2531.

WITHDRAWAL PROCEDURES

Students who wish to WITHDRAW (drop all classes) should bring a photo ID to Student Information Services, Room 119 Administration Building. Withdrawal and refund deadlines are stated in the Semester Calendar, page 2.

Students who pay in advance and are unable to attend the Spring 1995 semester must formally process a withdrawal prior to January 17, 1995 to avoid having an academic record (official term grades recorded). Failure to officially withdraw will result in grades of F for the courses in which the student is enrolled.

If you're not used to car trouble like this, let's talk.

Seniors and graduate students with good driving records often get stuck paying the same car insurance rates as less experienced drivers. But, if you're the kind of driver who obeys the speed limit and brakes for yellow lights, we think it's high time someone rewarded you. So we've designed a car insurance policy that's everything you deserve.

This select coverage has very reasonable rates—even for students. In fact, in a recent survey, new GEICO policyholders reported an average annual savings of over 15%. What's more, the 2 million drivers we insure give us high marks for exceptional service. GEICO is the only major insurance company with 24-hour service, seven days a week. You speak directly to a professional every time you phone. And since we're "on call" day and night, our experts can answer your questions or begin processing a claim immediately.

So when you're ready to make the most of a clean driving record, why not turn yourself in to the proper authorities?

TUNES

BY ANDREW REDDAWAY

Beastie Boys - *Ill Communication* (Capitol/Grand Royal). Gone are the tabloid-style headlines of music mags past. You can put down your baseball bat, and sleep easy knowing the hood ornament on your old VW is safe. The B-Boys are back, and this time with an, er, politically correct message. Well, kind of... No more dis'n women, no more runnin' from the law, and no more beer-hall brawls. Instead we find some smart rhymes that are actually unoffensive and very well-delivered. "Sure Shot," the album's first track, seems to contain an apology of sorts to all the women the B-Boys may have offended in the past; and "The Update" offers a message of peace and the need to respect the planet we share. Chalk one up for maturity. I guess marriage has had a taming effect on this scandalous squad—Adam Horovitz recently tied the knot with actress Ione Skye, and Mike D hitched up with filmmaker Tamra Davis. Business too may have settled the B-Boys—after all, it's takes a little responsibility to run your own record label, Grand Royal, not to forget Mike D's new line of clothing, X Girl.

Besides the lyrical messages, another notable change from previous releases is the music itself. The musicianship is, by far, the best we've heard from this crew, which is better known for their shockery than their rockery. Adam Yauch (MCA) is back on his upright bass, Adam Horovitz (Ad-Rock) wields the axe, and Mike Diamond (Mike D) has got the "kung fu grip behind his green trap kit." They manage to pump out an excellent mix, from the straight forward rap of "Get it Together," to the ethno-world sound of "Eugene's Lament," to the hard-core jam of "Heart Attack Man," reminiscent of their first skate-punkish release *Pollywog Stew*. While none of them would be described as virtuosos on their respective instruments, they make up for their shortcomings with creativity; and creativity has always been the Beastie Boys' selling point.

So go out and buy this album immediately. You will not be disappointed. Earlier releases such as *License to Ill* and *Paul's Boutique* taught a generation to fight for our right to party, and gloat the spoils of victory. *Ill Communication* teaches us to, once again, party hard and live it up, but most importantly, that we don't have to be hooligans while we do so. Sounds benevolent to me!

GAPS
GRADUATE ADMISSIONS PREPARATION SERVICE

The Affordable Key To Success

As with any test, preparation is the key to success. The Graduate Admissions Preparation Service (GAPS) is the high-quality yet affordable program that can help you **maximize your test score** and get you on your way to the graduate school of your choice.

GAPS courses allow you to **study at your convenience**, at school, at home, at the library, and even on breaks at work. Unlike more expensive programs, which require you to attend classes, with GAPS you are in command of when you study. You are more relaxed and more receptive. As a result, you'll be more likely to retain vital test preparation information.

Direct Access To The Experts

GAPS courses are a combination of cassette tapes and text. Our courses combine solid academic preparation with test-taking strategies to maximize your score. The lecture tapes give you direct access to professional instructors working under the guidance of educational testing experts. Courses are sectioned into segments so you can **move at your own pace**, progressing one step at a time. Every test segment is explained by an expert in a particular discipline. You'll listen to the lecture tapes and follow the printed materials that develop and apply the information in a problem-solving format. Because lectures are taped, difficult or unfamiliar information may be reviewed immediately, without note taking.

GAPS courses give you the competitive edge needed to succeed—because they work. Don't delay, order your GAPS course today!

As it turns out, Dr. Martens has been making running shoes for over 30 years.

Admit it. You read the headline and then looked straight at the thug. There's no shame in it, it's a mistake a lot of people will make. Well, you might want to take a second look. This time at the bobby. If he wasn't running so fast, you'd have noticed he's also wearing Dr. Martens. And, since he's the good guy, he's the one we'd like to talk to you about.

Over the past thirty years, Dr. Martens boots have become almost standard equipment for the English police force. After all, ours is arguably one of the most finely-constructed, comfortable work boots in the world.

So, it only figures that people who spend a lot of time on their feet find us indispensable. Especially policemen who often find themselves on the business end of a chase.

What makes them so comfortable is our Dr. Martens air-cushioned sole. (It may come as a surprise to many of you that Dr. Martens was dabbling in air-cushioned soles long before today's many athletic shoe companies.)

Our sole is made of a flexible, yet rugged elastomeric material that gives when you walk. And since it's full of thousands of tiny air bubbles, its distinct cushioning makes for a singularly unique experience in the world of boots. You can walk in them, run in them, play in them, stand around in them and do all the things you're not supposed to be able to do comfortably in a work boot.

Of course, a sole is only as good as the shoe it's attached to. That's why every Dr. Martens boot uses only carefully cured leathers to create our unique English uppers. The leather has to be tough as nails, yet pliable enough to stay comfortable for years. (It's not easy to find tough yet sensitive cattle, but we manage.)

The next step in making this fine boot is to attach the all-leather Goodyear-welted upper to the sole using our revolutionary technique called "Funck's Process," a patented procedure that actually heat-seals the upper and sole of the shoe together to make it virtually inseparable and indestructible. The result is a shoe that will cushion your feet through not just days and nights of arduous work, but years of days and nights of arduous work. (Sorry about that.)

The point is, we meticulously construct every pair of Dr. Martens to last you a very, very long time indeed.

If this durability gives you the impression that you only have to buy one pair of Dr. Martens for the next ten years, think again. We make so many different styles of shoes and boots it may be difficult to settle on just one pair.

For instance, the 8-eyelet 1460 boots shown above are right at home on an assembly line, working in the yard, hunting in the woods, or quite mysteriously, even paired with a suit and tie for your next presentation at work.

Women will find that our boots and shoes complement any number of varied looks as well. To those who think the shoes will look a little clunky with some of your finer apparel, we have only one thing to say: *Exactly*. It's a very good look. And besides, what other chance in life will you have to dress like a dapper English policeman?

As far as craftsmanship and style go, we've been making Dr. Martens the same way in the tiny village of Wollaston, England for a good thirty-four years because, quite simply, that's the way they should be made. Just ask the policemen who swear by them.

Dr. Martens AirWair

After all, if you can't trust a cop, who can you trust? For the Dr. Martens outlet nearest you, pick up the phone and give us a ring at 800.866.9815.

Accepted at more schools than you were.

It's everywhere you want to be.®

Drive. Intensity. Those aren't words you're likely to see in many course requirements. Then again, Army ROTC is unlike any other elective. It's hands-on excitement. ROTC will challenge you mentally and physically through intense leadership training. Training that builds character, self-confidence and decision-making skills. Again, words other courses seldom use. But they're the credits you need to succeed in life. ROTC is open to freshmen and sophomores without obligation and requires about 4 hours per week. Register this term for Army ROTC.

CLIPS

BY PAULA NECHAK

Mention the terms "generation X" or "slacker" to the new, young independent filmmakers taking Hollywood by storm these days, and you'll get a lot of groans and eye-rolling about the irrelevance of these catch-all and media generated phrases. Even so, there is a roster of new movies up-and-coming that have been lumped under these all-inclusive labels, most of which made a splash at the Sundance Film Festival.

Though it has been noted by Hollywood that "generation X" films don't seem to do very well on studio grosses sheets, it certainly hasn't stopped any of these young talents from scraping together modest amounts of money and making the films they can most relate to and which carry their own idiosyncratic signatures. This fall in theatres, you can look forward to such diverse properties as **CLERKS, SLEEP WITH ME, GO FISH, S.F.W.** and the British import **SHOPPING. CLERKS** won the Best First Film Prize at Sundance and tells the story of a day in the life of two Asbury Park 22-year-olds who works in adjoining convenience and video stores. Over the course of an 18-hour day they lounge around and mull over their lives, deal with the most surreal customers imaginable and bewail past lost loves and present girlfriends, all while mired in mountains of ennui and lackluster ambition. CLERKS is remarkable both for what it accomplishes on its tiny budget and for the fact that one of its principal cast members basically just turned up and had never acted before. Its a well-written and very funny slice of life comedy.

So, if you're feeling lazy and are in the mood to just hang out after a long, hard day at class, here are a few films in "slacker mode" to pick up at your local video store:

SLACKER and **DAZED AND CONFUSED** - written and directed by the master interpreter of the genre, Austin-based Richard Linklater, these are the wryly-observed films that really started it all. Kevin Smith, director of **CLERKS**, thanks Richard Linklater in his films' closing credits.

PCU - Tinged with irreverence, **PCU** is actor Hart Bochner's directorial debut about a college campus where everything is politically correct—and the core group who challenges the acceptable norm by being totally anarchic.

REALITY BITES - Ben Stiller directed and **REALITY BITES** is really pretty observant with some intriguing things to say when it stays focused on the key quartet and doesn't ramble all over other avenues of thought. Winona Ryder, Ethan Hawke and Ben Stiller star—but—see this film primarily and most importantly for Janeane Garofolo. She makes the trip to the store worth it as Winona Ryder's GAP-employee roommate.

Bikes

by Matthew Anderson

Unless you're one of the chosen few lucky enough to own a car (although some people don't consider car payments, insurance, gas, maintenance and parking fees lucky), your basic mode of transportation is probably a bicycle.

There's a lot to be said for bicycle ownership. Biking is great for the environment and for your body; parking's never a hassle; you don't need expensive insurance; and you never have to buy gas. Even maintenance is affordable, especially if you do some of it yourself.

Below are some basic maintenance tips that every bike owner should know and follow:

CLEANING: On a monthly basis, wipe down the frame with a damp cloth to get rid of built up dirt and grime that can erode the paint job or rust a steel frame. At the same time, clean tire rims and brake pads with rubbing alcohol. Excess grit reduces the effectiveness of your brakes. **TOOLS:** cloth, rubbing alcohol, water

TIRE PRESSURE: Proper inflation increases the life of your tires, helps avoid rim damage and provides a better ride. Check your tire pressure regularly to catch slow leaks that could leave you stranded. Correct pressure for your particular tires can be found on the side of each tire. Also cup your hand around the tire (preferably while wearing a glove) and spin the tire to remove small bits of glass and detritus that could cause a flat. **TOOLS:** tire pump, glove (optional)

BRAKE ADJUSTMENT: You're speeding down the hill on your way to class when all of a sudden a car darts out in front of you. You quickly apply your brakes but nothing happens... Don't let this happen to you. Brake pads should be checked regularly for any wear and tear. Remove any dirt or grime embedded in your pads with rubbing alcohol and a piece of fine-grit sandpaper. Replace badly worn or deteriorated pads immediately. **TOOLS**: cloth, rubbing alcohol, fine-grit sandpaper

DRIVE TRAIN: What can be more irritating than a noisy chain? Well, actually quite a few things, but this article is about bikes, so the answer is a noisy chain. A noisy chain may not appear to be a big deal, but it could actually be symptomatic of a poorly maintained drive train. A drive train consists of derailleurs, chain, free wheel and the crank set. Regular cleaning of these parts with a good degreaser and lubricating of the chain with a good non-dirt collecting lubricant will improve and increase your pedaling efficiency. A noisy drive train and/or difficulty in shifting could indicate poorly aligned derailleurs. Since this could be a tricky thing to fix, it's best left to your mechanic. **TOOLS:** biodegradable degreaser, lubricant, cloth, old toothbrush

BOLT TIGHTENING: When giving your bike a good cleaning, check to see that all bolts are snug. Losing a wheel or other bike parts while racing to take your Psychology final is no fun. **TOOLS:** allen wrench

Always remember that major repairs should be left to a trained mechanic, but if you follow the basic preventive maintenance tips outlined above, your bike and your wallet will thank you.

From one who's been hit through no fault of his own, always remember to ride defensively and wear a helmet.

VIII. MISCELLANEOUS INFORMATION

EXPOSURE TO HAZARDOUS CHEMICALS AND RADIOACTIVE MATERIALS

During the course of the semester, some classes and laboratories may use hazardous chemicals, radioactive materials or radiation producing equipment.

Prior to enrolling for classes each semester The University of Memphis recommends that students with health concerns or conditions seek private medical advice about the appropriateness for them to enroll in classes and laboratories using hazardous chemicals, radioactive materials or radiation producing equipment. The state of the art at this time is not sufficient to provide complete information about all possible side effects and health hazards, known and unknown which could develop from the exposure to and use of such hazardous chemicals, radioactive materials and radiation producing equipment.

During regular University business hours Material Safety Data Sheets (MSDS) for hazardous chemicals are available for review through the office of the chair of the department in which such chemicals are used. MSDS are also available for review at the office of the Radiation Safety Officer, 110 Brister Tower. Information about exposure from radioactive materials and radiation producing equipment may be obtained from the Radiation Safety Officer.

VA EDUCATIONAL BENEFITS

IT IS THE STUDENT'S RESPONSIBILITY TO BE AWARE OF AND FULFILL ALL REQUIREMENTS FOR RECEIPT OF GI BILL BENEFITS.

Any student using VA Educational Benefits Assistance (GI Bill Benefits) at The University of Memphis should contact the Office of Veteran's Services (Room 119, Administration Building 678-2996). New students should be prepared to furnish the following items: as needed an original VA certified copy of their DD 214, or other armed forces separation papers, a copy of their Delayed Enlistment Contract, copies of their children's birth certificates, a copy of a divorce decree if either vet or spouse was previously married, their VA file number if benefits have been used previously, and a transcript from any college or university previously attended.

The VA places restrictions on those receiving veterans educational benefits. Some of these restrictions include regular class attendance, satisfactory academic progress, and adherence to a specific degree program. The VA will not pay for repeated courses if the grade already earned is acceptable for graduation requirements and major objectives at this University (this includes transfer credit), or for elective courses in excess of those needed to meet graduation requirements.

Certification Reminders

(1) Register with the Office of Veterans Services every semester by completing a Veteran Data Sheet and Certification Request.
(2) Report credit allowed for prior training in cooperation with your advisor by completing a "Request for Reevaluation of Prior Credit" form. These forms are available from the Office of Veterans Services.
(3) Inform the Office of Veterans Services of any changes in major or degree pursued, address, marital status, or number of dependents claimed.
(4) After registering, report to the Office of Veterans Services immediately all changes in class schedules including adds, drops, section changes, canceled courses, and withdrawals.
(5) Obtain a degree posting sheet/formal degree plan from your adviser, and furnish a copy to the Office of Veterans Services, as well as keeping a copy for your personal files.

For more information on eligibility requirements, monthly pay rates, and other services available, contact the Office of Veterans Services.

HARASSMENT POLICY

Policy

It is against University policy to harass or to discriminate against any member of the University Community on the basis of sex, race, color, national origin, age, or disability and/or veteran status.

Such actions are prohibited not only by University Policy, but also by Title VII of the Civil Rights Act of 1964 as amended, and Title IX of the Educational Amendments of 1972. Other types of harassment are prohibited by applicable law. Violation of these Acts may subject the University and/or individuals to disciplinary action and may have legal consequences.

Harassment is reprehensible and will not be tolerated by the University. It subverts the mission of the University and threatens the careers, educational experience, and well-being of students, faculty and staff. Incidents involving sexual harassment, racial harassment or discrimination have no place within the University. In both obvious and subtle ways, even a suggestion of sexual or racial harassment is destructive to individual students, faculty, staff, and the academic community as a whole. When, through fear or reprisal, a student, staff member, or faculty member submits or is pressured to submit to unwanted sexual attention, the University's ability to carry out its mission is undermined.

Sexual harassment is especially serious when it threatens relationships between teacher and student or supervisor and subordinate. In such situations, sexual harassment exploits unfairly the power inherent in a faculty member's or supervisor's position. Through grades, wage increases, recommendations for graduate study, promotion, and the like, a teacher or supervisor can have a decisive influence on a student's, staff member's or faculty member's career at the University and beyond.

While sexual harassment most often takes place in situations of a power differential between the persons involved, the University also recognizes that sexual harassment may occur between persons of the same University status. The University will not tolerate behavior between or among members of the University community that creates an unacceptable work or educational environment.

A. Sexual harassment is defined as unwelcome sexual advances, request for sexual favors and other verbal or physical conduct of a sexual nature when one of the following criteria is met
   1. submission to such conduct is made either explicitly or implicitly a term or condition of the individual's employment or of the individual's status in a program, course or activity; or
   2. submission to or rejection of such conduct by an individual is used as a basis for employment decisions, a criterion for evaluation, or a basis for academic or other decisions affecting such individual; or
   3. such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or educational experience or creating an intimidating, hostile, or offensive work or educational environment.

B. Sexual harassment encompasses any sexual attention that is unwanted and can take many forms, but most sexual harassment falls into three categories verbal, visual, and physical. Some examples of behavior or conduct that may constitute sexual harassment include, but are not limited to

   1. Refusing to hire, promote, or granting or denying certain privileges because of acceptance or rejection of sexual advances
   2. Promising a work-related benefit or a grade in return for sexual favors
   3. Suggestive or inappropriate communications, notes, letters, or other written materials displaying objects or pictures which are sexual in nature that would create hostile or offensive work or living environments
   4. Sexual innuendoes, comments, and remarks about a person's clothing, body or activities
   5. Suggestive or insulting sounds
   6. Whistling in a suggestive manner
   7. Humor and jokes about sex that denigrate men or women
   8. Sexual propositions, invitations, or pressure for sexual activity
   9. Implied or overt sexual threats
   10. Suggestive or obscene gestures
   11. Patting, pinching, and other inappropriate touching
   12. Unnecessary touching or brushing against the body
   13. Attempted or actual kissing or fondling
   14. Coerced sexual intercourse
   15. Sexual assault

Whether the alleged conduct constitutes sexual harassment depends upon the record as a whole and the totality of the circumstances, such as the nature of sexual advances in the context within which the alleged incident occurred. Please note that sexual assaults may be criminal acts and as such, investigation and processing by the criminal justice system, local police, campus security, and crisis intervention centers may supersede the process developed under this Guideline.

C. Generally, racial harassment is defined as any person's conduct which unreasonably interferes with an employee's or student's status or performance by creating an intimidating, hostile, or offensive working or educational environment. Harassment on the basis of race, color, or national origin, includes offensive or demeaning treatment of an individual, where such treatment is based typically on prejudiced stereotypes of a group to which that individual may belong. It includes, but is not limited to, objectionable epithets, threatened or actual physical harm or abuse, or other intimidating or insulting conduct directed against the individual because of his/her race, color, or national origin. Title VII requires employers to take prompt action to prevent individuals from expressing their opinions in a way which abuses or offends their coworkers.

D. Generally, harassment on the basis of religion, disability, or other protected status includes any conduct which has the purpose or has the reasonably foreseeable effect of interfering with an individual's academic efforts, employment, or participation in institutionally sponsored activities. Such harassment also includes any activity which creates an intimidating, hostile or demeaning environment.

The University seeks to encourage the prompt reporting of such harassment and its prompt resolution through University procedures. Where the charge of harassment is by one student against another student, the Assistant Dean of Students for Judicial Affairs, University Center, will investigate and resolve the complaint in accordance with appropriate student procedures. Other charges of harassment should be directed to the University Affirmative Action Officer, Administration Building, Room 160, for investigation and recommendations to the President and will follow guidelines set forth in University Procedure 2A:1204A.

In addition, the University will take steps towards and encourage the development of programs aimed at informing students and employees of their rights to be free from sexual harassment and the procedures available for reporting. Programs will also be developed and aimed at preventing harassment.

Procedure

The purpose of this procedure is to provide a clearly defined means of reporting and investigating the complaints of students, faculty, and staff where they believe they have encountered harassment as defined by the University policy. The final resolution of such complaints and the imposition of any appropriate sanctioning will be governed by existing University procedures as stated herein.

The President has assigned the University Equal Employment/Affirmative Action Compliance Officer the responsibility of investigating any complaint related to this procedure. The responsibility of investigating complaints against students has been assigned to the Assistant Dean for Judicial Affairs in accordance with appropriate student disciplinary procedures.

Since harassment based on race, sex, or any other factor has been defined as discriminatory in nature, the following will be implemented for the reporting of harassment:

A. Complaint by faculty member or staff against student - Procedure: Complaint to Assistant Dean of Students for Judicial Affairs for investigation and disposition.

B. Complaint by student against faculty member or staff; faculty member against staff; faculty member against faculty member or supervisor; or staff against faculty member, staff, supervisor or outside University contracting agency - Procedure: Complaint to University Affirmative Action Officer for investigation and possible disciplinary action by the President.

Procedures

The following procedures are intended to protect the rights of the aggrieved party as well as the party against whom an allegation of harassment is lodged, as required by state and federal laws. Each charge will be properly investigated and, when warranted, appropriate disciplinary action taken against the individual charged.

In situations that require immediate action, because of safety or other concerns, the institution can take any disciplinary action which is appropriate, e.g., suspension with pay, pending the initiation of the investigation by the EEO/AA Officer. The University Affirmative Action Officer and the President should be contacted in situations requiring immediate action. The TBR Office of General Counsel will be contacted before any immediate action is taken and prior to any investigation.

A. Preliminary Investigation

1. Any student, applicant for employment or employee who believes he or she has been subjected to harassment at The University of Memphis shall present the charge to the designated EEO/AA Officer responsible for compliance with Title VII of the Civil Rights Act of 1964 or Title IX of the Education Amendments of 1972.
2. The EEO/AA Officer will make every attempt to get the aggrieved party to provide the charge in writing. The charge shall include the circumstances giving rise to the allegations and the dates of the alleged occurrences. The charge shall be signed by the aggrieved individual and notarized. However, where the aggrieved individual refuses to sign a written charge, the EEO/AA Officer will still investigate the allegations, and recommend to the President appropriate action. Based on the findings of this investigation, the EEO/AA Officer may recommend to the President appropriate action which may or may not be the steps outlined in the remaining paragraphs of this guideline.
3. The EEO/AA Officer shall notify in writing the charged party within five (5) working days of receipt of the charge. The charged party shall respond in writing to the charge within five (5) days of notification.
4. The EEO/AA Officer may meet with both parties for the purpose of resolving the charge informally.
5. The EEO/AA Officer shall conduct an investigation of the charge and submit a report to the President, TBR EEO/AA Officer, and the parties within twenty (20) working days following receipt of the charge. Each report shall outline the basis of the charge, including the dates of the alleged occurrences, the response of the charged party, the findings of the EEO/AA Officer and all attempts to resolve the charge informally and recommendations regarding disposition of the charge. If following an investigation the EEO/AA Officer finds there is no substantial evidence to support the charge, the parties shall be so advised in writing.
6. If the investigation reveals that there is evidence to support the charge, the President may meet with the charged party and/or the charging party and attempt to resolve the problem by agreement. In addition, the charged party shall be advised of his/her right to a hearing pursuant to the procedures set forth below. A charged party may request a hearing within ten (10) days following receipt of the report.

B. Hearing

1. If the charged party requests a hearing, he or she shall be advised of hearing procedures available under Board of Regents Policy No. 1:06:00:05, Uniform Procedures for Cases Subject to Tennessee Uniform Administrative Procedures Act, and of the established The University of Memphis procedures, available for resolution of the matter in question. The party requesting a hearing shall be given the opportunity to elect the procedures pursuant to which the matter shall be heard.
2. When an individual elects to proceed under the established The University of Memphis procedures for resolution of the matter, the election should be in writing and signed by the individual making the election and should expressly waive the procedures available under the TUAPA as to the matter in question. When a party elects to proceed pursuant to established procedures at The University of Memphis, these procedures shall include the following minimal requirements:
   a. Notice of the charge to the party or parties.
   b. The right of the party or parties to present his or her case.
   c. The right to be accompanied by an advisor.
   d. The right to call witnesses in his or her behalf.
   e. The right to confront witnesses against him or her.

   In addition, in any case where the President makes a decision which is adverse to the charge or claim of either party, the President shall advise the person of any right of appeal provided by TBR policy.

3. Individuals electing to proceed under the TUAPA shall be referred to the appropriate The University of Memphis official responsible for commencement of actions under the TUAPA as provided in Board Policy No. 1:06:00:05.
4. When a charge involves a tenured faculty member, the same informal and formal procedures set out above shall be utilized. Tenured faculty members shall have the same right to elect hearing procedures as set out herein. Where the selected hearing procedure results in a finding that sexual harassment exists and the President determines that the harassment constitutes adequate cause for termination, then the matter will proceed under either The University of Memphis policy for termination of tenure or TBR policy 5:02:03:00. Under TBR policy the matter shall proceed under section III.16 on page 15 of 19.

PRIVACY RIGHTS OF PARENTS & STUDENTS
NOTICE TO STUDENTS

The Family Educational Rights and Privacy Act of 1974, with which the University intends to comply fully, is designed to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students have the right to file complaints with The Family Education Rights and Privacy Act Office concerning alleged failures by the institution to comply with the Act. A copy of the Act and The University of Memphis Procedure - Privacy of Education Records - may be read in the offices of the Registrar or the University Counsel.

Disclosure of Education Records

The University of Memphis shall not permit access to or release of any information in the Education Records which is specifically identifiable as referring to any student, other than Directory Information, without verification of the written consent of the student to any party other than those listed in the Student Records Access Procedure.

Directory Information

"Directory Information" is defined as: the student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous education agency or institution attended by the student, the student's enrollment status (number of enrolled hours, full- or part-time status), and the student's classification (level).

Restricted Release of Directory Information

After a student registers for courses, the student may personally complete a written request in Student Information Services (Room 119, Administration Building) that directory information for that student not be released. This notification is effective only for the one semester for which the student is then registered. Such information will then be withheld if the form is completed by the 14th day of classes.

Access to Records

To gain access, the student must request the custodian of the records to allow perusal of the education record according to the University Procedure for Student Records Access which contains a list of the custodians of the records. A student must present proper identification in support of his/her request. Parents of dependent students as defined in the Internal Revenue Code Section 152 may obtain access to a dependent student's record after presenting appropriate documentation.

THE UNIVERSITY OF MEMPHIS'S POSITION ON DRUG AND ALCOHOL USE BY STUDENTS

A. In accordance with local, state and federal laws and with University Regulations promulgated in accordance with the Tennessee Board of Regents policy, students are prohibited from unlawfully processing, using, selling, manufacturing or distributing illicit drugs on University owned or controlled property. Also, students are prohibited from possessing, using, selling, manufacturing or distributing alcoholic beverages on University owned or controlled property.
   - At off-campus University sponsored (funded) events, students are prohibited from unlawfully possessing, using, selling, manufacturing or distributing illicit drugs. Alcohol shall not be abused by those of legal drinking age, nor used, possessed or distributed by those who have not attained drinking age.
   - Additionally, students are prohibited from being under the influence of illegal drugs or alcohol while on University owned or controlled property or while attending any University sponsored (funded) activity.
B. Under the laws of the state of Tennessee, a person convicted of the unlawful possession, use, or distribution of an illicit drug or alcohol may face a fine ranging from fifty dollars ($50) to $500,000 and may face imprisonment ranging from thirty (30) days to sixty (60) years. Dependent on the offense and its classification, the fine and imprisonment may vary but will be within the limits noted. Descriptions of the offenses and sanctions listed are located in the Tennessee Code Annotated (T.C.A.) in section 39-17-401 through 427 and in sections 40-35-101 through 504.
   - Under the laws of the United States, a person convicted of the manufacture, distribution or possession of any controlled sub-stance may face a fine of up to $100,000 and may face imprisonment of up to one (1) year for Schedule V drugs, and a fine of up to $400,000 and life imprisonment for Schedule I drugs. Dependent on the offense and its classification (according to the schedule of the drug), the sanction may vary but will be within the limits listed above. These sanctions are doubled when the offense involves either (i) distribution or possession at or near a school or **college campus** (emphasis supplied) or (ii) distribution to persons under 21 years of age. Additional sanctions include civil fines of up to $10,000 for simple possession and loss of eligibility for federal benefits. Descriptions of offenses and sanctions are located in the United States Code (U.S.C.), title 21, sections 801 et seq.
C. The use of illicit drugs or alcohol may result in a variety of health problems. Excessive use of alcohol, for instance has been shown to result in damage to the heart and liver; impairment of brain activity, digestion and blood circulation; impairment of judgment, memory and motor skills; and ultimately may lead to death.
   - The use of illicit drugs has been shown to cause organic damage, impairment of physiological processes, and impairment to mental functioning. Risks of contracting hepatitis, AIDS and other infections increases when illicit drugs are injected. The use of illicit drugs may also lead to death.
D. The University of Memphis students have access to a wide variety of drug or alcohol related counseling/assistance programs, both on and off campus. On campus services, which are entirely free to students, include the Center for Student Development's Psychological Counseling Unit, the University's Health Center and the Department of Psychology's Counseling Services (Psychological Service Center). For more information on campus based services, contact the Center for Student Development at 678-2067.
   - Off campus programs to assist the substance abuser range from groups dealing with addictive behaviors - such as Alcoholics Anonymous - to full service, in-patient programs operated by local hospitals or health-related concerns. These programs may be contracted either directly or through referral by The Center for Student Development; although, none are operated with the assistance of the University.
E. Violation of University Policy as stated in Section A above will result in disciplinary action being taken against the responsible student. A violation may result in a sanction ranging from a simple warning and referral for treatment to a full suspension or expulsion from the University and may also result in referral for prosecution by local, state or federal authorities. For a more detailed view of the disciplinary process, see the **Student Handbook** section on student discipline ("Code of Conduct") or contact the Office of Judicial Affairs at 678-2298.

CRIME AWARENESS AND CAMPUS SECURITY ACT OF 1990

1. The University of Memphis Procedure No. 2D:06:01A provides that all suspicious and/or criminal activity should be reported to the Department of Public Safety, which is open 24 hours a day. Reports of such activity may be made in person to a member of the Department of Public Safety at the office (155 Administration Building), to any Officer on campus patrol, by telephone (678-4357 or MSU-HELP), or from any campus emergency telephone located at various sites across campus and in the lobbies of most academic buildings.
2. The campus and facilities of The University of Memphis are restricted to students, faculty, staff, guests and invitees of the University, except

when all or part of the campus, its buildings or facilities are open to the general public for a designated time and purpose. Generally, buildings other than residence halls are secured by 10:00 p.m. each evening. Individuals loitering on campus without a legitimate purpose as specified above are issued trespass warnings and directed to leave campus; failure to comply with the warning will result in arrest.

The main lobbies of residence halls are open from 7:00 a.m. to 12:00 midnight each day. After midnight, the residence hall lobbies are restricted to student residents and Residence Life staff. Visitation hours are established by a two-thirds majority of the residents of each individual hall at the beginning of each Fall semester. In any case, visitation hours may not exceed 12 hours (12:00 noon to 12:00 midnight) on weekdays and 14 hours (12:00 noon to 2:00 a.m.) on weekends. For more information concerning the residence hall visitation policy, consult the Residence Hall Application Reservation brochure available in the Office of Residence Life and Visitor Information Center.

3. The Department of Public Safety employs 30 commissioned peace officers. University Police Officers attend a basic police academy and an in-service training program in conformance with the requirements of the Tennessee Peace Officers' Standards and Training Commission. The University Police Officers' commission authorizes them to enforce state law on campus and on contiguous streets, and to investigate crime occurring on campus or against the University. Students are encouraged to promptly report crime and suspicious activity through various crime awareness and prevention programming sponsored by the Department of Public Safety and the Division of Student Affairs, including New Student Orientation and Residence Life programming. Students are further encouraged to report criminal activity as outlined in various University publications, including the Student Handbook and the Campus Safety and Security brochure.
4. The Department of Public Safety and the Division of Student Affairs sponsor on-going programming on crime prevention and safety awareness. Programming includes skits, videos, self-defense presentations and discussions presented to various student organizations and groups, resident students, and new students during orientation. This programming, as well as literature published by the University, encourages students to adopt safe behaviors and attempts to foster a sense of personal responsibility for safety among all members of the campus community.

5. The University of Memphis Department of Public Safety receives a monthly Integrated Computer Apprehension Program (ICAP) report of criminal offenses committed in the general neighborhood surrounding the University from the Crime Analysis Unit of the City of Memphis Police Department. Reported offenses include aggravated assault, sexual assault, robbery, burglary, larceny, and motor vehicle theft. The Memphis Police Department is notified of all felony crimes that occur on campus. Any sexual assault of a The University of Memphis student that is reported to the Department of Public Safety is also reported to the Memphis Police Department, whether the offense occurred on or off campus. The Tennessee Bureau of Investigation is also notified of any criminal activity deemed to be of special interest.

6. The sale, consumption or possession of alcohol or illegal drugs is prohibited on the campus of The University of Memphis and at any University sponsored student activity. Violators of this policy are subject to arrest and disciplinary action by the University. Further information regarding the University's policy on alcohol and drug use is contained in the Student Handbook in the sections entitled "The University of Memphis's Position on Drug and Alcohol Use", "Residence Life", and "The Code of Student Conduct" and in this schedule of classes.

PARKING REGULATIONS

The U of M Parking Office is located at 3918 Central Avenue. Regular office hours are 7:00am - 6:00pm, Monday - Friday, 678-2212.

Campus Traffic and Parking Regulations are available in the Parking Office, 3918 Central Avenue, the Office of Judicial Affairs, University Center, and the Visitor's Information Center located at the corner of Patterson and Central.

Every vehicle parked on campus property must have a parking permit (hangtag) properly displayed. Parking meters have been placed in parking lots around the University for the use of visitors. Parking permits (hangtags) are permanent and are designed to hang from the inside rearview mirror post but may be transferred to a replacement vehicle when the registered vehicle is not available. A temporary parking permit (hangtag) must be purchased from the Parking Office when you forget to transfer the regular hangtag. Parking permit fees range from $19 - $200 based on the level of parking desired. **If you lose your hangtag, a replacement fee of $10.00 will be charged. A lost or stolen permit (hangtag) must be reported to the Parking Office.** For additional information, telephone the Parking Office at 678-2212.

Parking lots are either Priority (gate access), Reserved, General, Resident, or Visitor. All University owned streets are reserved for Resident or Visitor parking. A parking sign is erected at the entrance to each lot and University owned street indicating the use of that lot or street.

Priority (gate access) lots have a limited number of spaces. These spaces are sold for either day or evening use and a parking space is virtually guaranteed. Applications for gate access parking are available in the Parking Office or in the Fee Payment Center during registration.

Vehicles must be parked within parking spaces delineated by white lines. Improperly parked vehicles may be towed at owner's expense. The issuance of a parking permit (hangtag) does not guarantee a parking space on University property. The inability to locate a legal parking space does not diminish the responsibility to park in accordance with University parking regulations.

Visitor parking is provided in spaces where parking meters are installed in various locations around campus or in the Parking Garage located at Deloach and Norriswood Streets. Visitor Parking Permits (hangtags) are available at the Parking Office or Visitor Information Center for a fee of $1.00 per day. These permits allow parking at metered spaces without additional payment or in the General parking lots. The Visitor Information Center is located at Patterson Street and Central Avenue and the Parking Office is located at 3918 Central Avenue.

Garage parking is available Monday through Friday at Deloach and Norriswood streets. Garage parking is $.50 per hour or a daily rate of $2.50. Parking permit (hangtag) holders will be provided a discount rate per day.

University Police officers, parking assistants, faculty members, or staff employees are not empowered to allow anyone to violate the traffic and parking regulations. Storing articles of value (including radar detectors) in parked automobiles is discouraged. However, if articles must be left in an automobile they should be placed out of sight and/or located in the trunk. The University of Memphis does not assume responsibility for loss of personal property.

Motorists may obtain assistance or information from any campus officer on patrol or by calling 678-4357 (MSU-HELP), or by using any emergency telephone located at various sites across campus and in the lobbies of most academic buildings.

IMPORTANT TELEPHONE NUMBERS

FOR ALL CAMPUS EMERGENCIES, DIAL 678-4357 (MSU-HELP)

NOTE When an emergency arises, do not dial 9-1-1! The emergency center screen **would not** show information necessary for response. The 9-1-1 Office and the Memphis Fire Department request that all emergency calls be routed through the The University of Memphis Police Services dispatcher. The dispatcher will immediately create a conference call with the necessary emergency agency. Public Safety will have the caller's location displayed. This procedure ensures emergency aid routing the correct location.

GET IT NOW. USE IT FOR THE REST OF YOUR LIFE.

Cardmembership isn't just about how you spend your money—it's about how you spend your life. You'll have access to an exclusive collection of benefits and services you won't find anywhere else:

New, bigger airline discounts—for you *and* a friend.

You'll get five Travel Savings Certificates.* Three for roundtrip Coach class tickets anywhere Continental Airlines or Continental Express flies within the 48 contiguous United States (except Florida between February 12–April 30 and between June 15–August 25, 1995). All you'll pay is *$159 roundtrip for travel on your side of the Mississippi. Or $239 roundtrip when you fly across the Mississippi.*

You'll also save with a special Florida Certificate valid between February 12–April 30 and between June 15–August 25, 1995. *You'll pay just $239 for roundtrip Coach class travel between Florida and other destinations on the east side of the Mississippi, $299 between Florida and destinations on the west side of the Mississippi.*

You'll get an International Certificate worth *$50 off an international roundtrip Coach class fare of $400 or more; $75 off a roundtrip Coach class fare of $600 or more.*

And you can bring along a friend for the same low price you pay when you buy the tickets with the Card.

Free long distance with MCI.

Get up to 30 minutes of free long distance calling with MCI every month for a year—without changing long distance companies. Just use the Card as your calling card and get savings of up to $44 a year.**

Savings from famous names.

Our Value Certificates help you save on many of the things you want, from J. Crew, Software Etc., the Princeton Review and more. *And these aren't one-time-only offers.* You'll get new offers every year you renew your Cardmembership while you're in school—and even after you graduate and start your career.

Once you're a Cardmember, you'll see how we can make your life easier. You'll get a level of *service you can count on*—no matter where you are in the world. And since you pay your bill in full each month, *you won't pay automatic interest charges.*

What's more, getting the Card now is probably easier than it will ever be—*because we're relaxing the usual requirements just for students.* So apply now. And spend a lifetime enjoying all the great things only the Card can offer you. All for just $55 a year.

*To be eligible, you must apply for the Card by July 31, 1995. For domestic travel, reservations must be made and tickets charged to your Card account within 21 days of travel, maximum stay is 14 days and must include a Saturday night. For international travel, reservations must be made and tickets purchased at least 7 days prior to travel or as required by the fare purchased, whichever is earlier. A minimum 8-day stay is required and must include a Saturday night. Seats at these fares are limited. American Express makes these certificates available solely as a service to its Cardmembers and incurs no liability in connection with their use or non-use. Continental is directly responsible for the fulfillment of this offer and the delivery of travel services. Your Travel Savings Certificates, along with complete terms and conditions, will be sent to you upon credit approval.

**A credit of up to $3.70 for long distance phone charges will appear on each billing statement for 12 months after enrollment. $3.70 is equal to the charge for a domestic 30-minute night/weekend MCI Card Compatibility call and appropriate surcharge. Call from any phone, using the American Express Card as your calling card. You must enroll by July 31, 1995. MCI is a registered service mark of MCI Telecommunications Corporation.

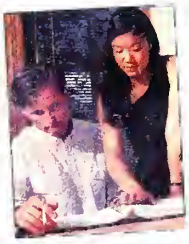
HOW WILL YOU PREPARE FOR GRADUATE SCHOOL

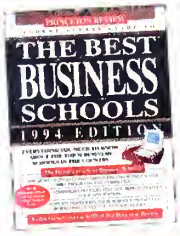
If you're thinking about going to law, business, graduate, or medical school, The Princeton Review can help.

The Most Effective Test Preparation



This year, over 30,000 students will take our LSAT, GMAT, GRE, and MCAT courses. Our small classes consist of 8 to 15 students (other courses have up to 30) grouped by shared test-taking strengths and weaknesses, so you'll get plenty of personal attention. We send teams of our highly trained instructors to every test administration to ensure that we have up-to-date materials.

Required Reading



Our *Guides to The Best Business, Law,* and *Medical Schools* not only profile schools, but also include the results of some of the largest student and administrator surveys ever conducted. And if you're not ready for more classes, *America's Top 100 Internships* is the most popular guide of its kind.

And if you have access to a Macintosh® or Windows™ computer, our LSAT, GMAT, GRE, and MCAT software gives you the opportunity to practice in the comfort of your own home. Our students receive this great software for free, and it's also available at your local book or computer store.

For more information about our LSAT, GMAT, GRE, or MCAT courses, please call us at (800) 2-REVIEW. To order one or more of our books, please call (800) 793-BOOK.
